

360 Communities®
Help in the moment. Hope for the future.

=== Stretch your dollar with 360 Communities! ===

Your \$10

Your \$10 with 360 Communities

You have a greater impact on hunger in your community when you donate to 360 Communities because of our access to discount food programs. During the month of March, your donations will also qualify 360 Communities food shelves for a portion of Minnesota FoodShare's grant dollars, stretching your donations even further. The more you donate in March, the better we can support our food shelf customers!
