Summer 2022 Snack Bag Project

When school is out for the summer, many kids are at risk of going hungry. Families who depend on free school lunches may experience increased food insecurity during the summer months. You can help kids in your community by donating snack bags to our resource centers and food shelves. Putting together snack bags is a fun group service project for kids of all ages!

What you will need:

Please choose healthy snacks that expire after September 2022.

- Paper or plastic lunch size bags**
- Decorating supplies** (if desired)
- Healthy beverage:** water, sparkling water, 100% juice box
- Protein:** nuts, trail mix, jerky, sunflower seeds, individual nut butter
- Grain:** granola, cereal, crackers, popcorn, whole grain chips, breakfast bars, pretzels
- Fruit:** individual applesauce, fruit cups, dried fruit

OPTION 1

Daily snack bags

- Decorate your bags with a drawing, sticker or inspirational message
- Pack 2-3 snacks from different food groups
- Add a beverage

OPTION 2

Diet-specific bags

- Create bags tailored to diets such as gluten-free, sugar-free and nut-free
- Label bags clearly

OPTION 3

Weekly snack bags

- Pack 15-20 snacks from different food groups
- Add multi-packs of juice boxes or other healthy beverages

On occasion, we may unpack bags and redistribute food in order to better meet the needs of our clients.
