Most Needed Food Drive Items

Thank you for supporting 360 Communities! Your donations will help support the long-term stability of our Dakota County neighbors. Refer to the list below to collect the items we need at our food shelf locations. 360 Communities can only accept non-expired, unopened, shelf-stable food that does not require refrigeration or freezing to remain safe to eat. Our food shelf guests also need personal care and household items like those listed below. Thanks again! We appreciate your partnership.

Shelf-Stable Proteins

• Canned meat and fish (canned sardines, chicken, tuna, or salmon)
• Canned or dried beans
• Nut butters (almond, sunflower, or peanut butter)
• Other shelf-stable, plant-based proteins

Fruits and Vegetables

• Canned fruits of all kinds
• Shelf-stable fruit juices
• Dried fruits and vegetables (note: at this time we are not able to accept foods that were preserved by you in your home. Preserved foods from the store are totally fine, though!)
• Fresh fruits and vegetables that don’t require refrigeration – if your garden is bountiful we are happy to accept a donation!
• Culturally specific vegetables and fruits (canned peppers, mushrooms, coconut milk, jackfruit, napolitos/cactus, and sweet potato)

Cooking and Baking

• Oils (vegetable, olive, palm, and sesame)
• Non-wheat flour (masa and corn flour, fufu flour, gluten free, and rice flour)
• Sugar
• Shelf-stable non-dairy milk (almond, soy, coconut, or oat milk)

Personal Care & Household Items

• Diapers – especially sizes 5, 6, and 7
• Baby wipes
• Menstrual products, shampoo, conditioner, toothpaste, lotion, and body wash. Hygiene items for sensitive skin and textured hair are especially helpful!
• Toilet paper, dish soap, laundry detergent, surface cleaning products, and paper towels
