

2025 IMPACT REPORT

OUR MISSION

360 Communities® delivers **safety and stability** that improves lives.

A safe, stable foundation shapes a person’s future. When people have the security of a home, they can focus on vital goals such as improving their health, finding a job, and succeeding in school.

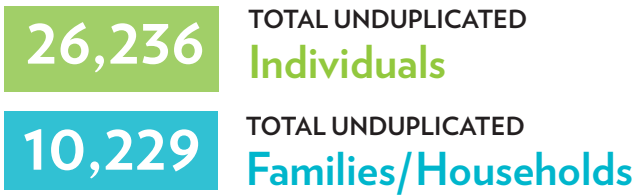

360 Communities invests in our neighbors. With targeted financial support, we prevent evictions and help families secure housing. In schools, we wrap resources around families to increase student engagement and attendance. Our team enhances the quality of the child care network in Dakota, Scott, and Carver counties. Staff and volunteers in our food shelves connect families and individuals with the nutrition and resources they need for stability.

360 Communities is the only organization in Dakota County actively working to break the cycle of violence. We provide prevention services and offer a safe haven at our Lewis House shelter for individuals escaping domestic and sexual violence.

Thanks to state, county, and community funding, **360 Communities delivered \$2,062,121** in financial assistance, supporting long-term **safety and stability** for the people we serve.
