PET FOOD DRIVE

Our food shelves need:

- Dry food for cats and dogs
- Wet food for cats and dogs
- Food for other types of pets
- Pet care items like cat litter, dog waste bags, etc.
- Gift cards to pet supply stores
- Monetary donations to help us purchase pet food at bulk discount prices

During economic downturns, the number of pets who become homeless due to relinquishment and abandonment increases as pet owners become unable to care for their pets.

Food shelves like 360 Communities can help fill the food gap so that no pet owners have to choose between feeding their pets or feeding themselves.

But we need your help to make this possible!
